## Administration of Topical Basic Care Products

MSDE Office of Child Care authorizes our staff to apply topical basic care products without prior approval of a licensed healthcare provider. If your child needs or may need a **diaper rash, insect repellent, or sunscreen product** please complete this form.

Parents/guardians must provide the product labeled with the child's first and last name.

Staff will follow the directions for administration on the product's label.

Child's First and Last Name: \_\_\_\_\_

Topical Base Care Product(s): \_\_\_\_\_

Parent Signature: \_\_\_\_\_

Date: \_\_\_\_\_
